CPST Certification Training • Student Score Sheet

Use this Score Sheet to track progress of the Technician Candidates and keep it for your records of the course. Do NOT submit the Score Sheet to Safe Kids Worldwide. Enter quiz and skill assessments scores using the online system. To pass, students must score **42/50 on the three quizzes**. All skills assessments must also be passed in full to complete the course. Students who fail any part of the skills assessments or do not score at least 84 percent (42 correct) on the written quizzes will not pass the course and must repeat it.
