

Tech Update Quiz for Continuing Education Units (CEUs) Winter 2006

You may qualify for up to 1 CEU per certification cycle for reading the Tech Update. To qualify you must read 2 issues of the Tech Update, and complete the quiz for both editions.

Unless otherwise directed to do so by the Safe Kids Worldwide Certification Program, do not mail this quiz or any other CEU materials or documentation to the Safe Kids Certification Program. Keep this document in your files. If you are audited, you must submit 2 quizzes with at least 4 out of 5 answers correct on each quiz. Quizzes will be scored by Safe Kids when submitted.

1. List three child restraints currently (in this edition) allowing use from birth.

- 1) _____
- 2) _____
- 3) _____

2. When was Dorel's Cosco Dream Ride SE reissued as a car bed only?

Month: _____ Year: _____

3. The new 6-year Hybrid III dummy weighs _____ pounds.

4. The back seat is safer, even though new airbag technologies (depowered and advanced airbags) are improving the outcomes for children in the front seat.

TRUE FALSE

5. The name of the successor seat to the Snug Seat Spelcast is the _____.
