### **September 2014 Instructor Update:**

This was sent to all Instructors and Instructor Candidates on September 15, 2014. If you did not receive please check your spam folders and make sure your email address is current in your online Safe Kids certification profile. Thank you!

---

The National CPS Board would like to thank you for your positive feedback and support of the new instructor monthly emails. Last month we sent an introductory email announcing the monthly emails and included important links to revised assessment files. Please let us know if you have any questions on how to access the files. We will continue to send you brief emails each month updating you on important curriculum changes, best practices and upcoming learning opportunities.

This month, we wanted to invite you to a best practice webinar that will teach participants valuable tips on how to utilize Learn, Practice and Explain in your educational efforts. The concepts presented can be utilized curbside while working with parents or in the classroom when teaching new technicians.

This is a non-CEU webinar brought to you by State Farm and Safe Kids. The webinar will be held on Wednesday, September 24, 2014 from 2:00 PM – 3:00 PM ET.

Space is limited for the webinar! You may reserve a seat at:
