

NATIONAL
**CHILD PASSENGER
SAFETY BOARD**

A program managed by the National Safety Council

rear facing • forward facing • booster seat • seat belts

March 2016 Instructor Update:

This was sent to all Instructors and Instructor Candidates on March 15, 2016. If you did not receive please check your spam folders and make sure your email address is current in your online Safe Kids certification profile. Thank you!

National CPST month is just around the corner! Help celebrate technicians by teaching a Certification Course in May. If you do, you will get a 2016 "Proud to be a CPST" lapel pin. If you taught one last year and the year before, this keeps your collection complete! The goal is to have 100 courses offered in May. If you want to put a course together but are within the 6 week online registration requirement, contact Safe Kids (Kerry: kchausmer@safekids.org) for help.

You will see promotion on our Facebook pages (www.facebook.com/cpsboard, www.facebook.com/cpscrt, www.facebook.com/safekidsworldwide) and twitter (www.twitter.com/ncpsb and <https://twitter.com/safekids>).

We know you work hard all year round and we hope you can celebrate National CPST Month by teaching and training new techs in May.

Thank you for all that you do to keep children safe in and around vehicles!
