

ACTIVITY—INSTALL REAR-FACING CAR SEATS

1. Work in small groups.
2. Choose both a rear-facing only and a convertible/all-in-one car seat to take outside with you.
3. Do the installations as indicated on the following table.
4. Have an Instructor check and approve each installation. Be prepared to explain the steps and how the car seat is locked in place.
5. Be ready to show the Instructors how to tighten and loosen the harness on each car seat.
