

## CPST Instructor Email – Curriculum Resources Update

Email Date: Tuesday, July 28, 2020

Hello Instructors!

We hope this email finds you safe and healthy!

This email is to inform you that new resource documents are now available. These are *not* changes to previously available materials. These resources are supplemental and do NOT necessitate an update to your Instructor Guide. In addition, there are notes about required teaching hours for recertification, and lapel pins for Instructors.

Based on feedback from the Child Passenger Safety field, the following resources have been added to the Instructor Materials page on [cpsboard.org](https://www.cpsboard.org).

## POWERPOINT SLIDES

- **NOTE:** This addition is ONLY for Instructors using older versions of PowerPoint. The videos found in nine modules of the curriculum have been converted to .wmv files in order to be compatible with pre-2016 PowerPoint software. The video quality was affected during the conversion process. As a result, these files should be used as a last resort. The pdf Notes files remain the same and have not been updated.

Doing so allows us to track and catalog information received. We value your input and take into consideration all suggestions made.

## TEACHING

### RECERTIFICATION

Are you short your required [teaching hours](#)? Safe Kids National CPS Certification can provide an extension for instructor teaching hours. All you need to do is ask! In fact, this has been added as an FAQ on [cert.safekids.org](https://cert.safekids.org):

**13. I am a CPST Instructor but won't have earned my 20 required teaching hours in time to recertify. Do I have to change my status to Technician?**

We are happy to provide modest extensions for instructors to earn their 20 required teaching hours. In order to help, please enter your seat checks, CEUs and Community Education and then [email us](#) your plans on how you will earn the hours (so we know how much time you need). If you need time to come up with a plan, just let us know.

## **CPST INSTRUCTOR PINS**

For CPS Month, Safe Kids will be providing lapel pins for instructors of September courses.

Pins will be mailed to the Lead Instructor in October for distribution to the instructor team. If you are the Lead and have a CPST assisting with the course, please email [Safe Kids](#) by September 30 and a (CPST) pin will be included for them, too.

Our thanks to each of you for your ongoing dedication and flexibility!

Respectfully,

National Child Passenger Safety Board
