

CPST Instructor Email – Hybrid Curriculum Offering Announcement
Email Date: Thursday, November 5, 2020

Hello Instructors!

The National Child Passenger Safety Board (NCP SB) is excited to announce it is actively developing a hybrid offering of the 2020 *National Child Passenger Safety Technician Certification Training* curriculum to include e-learning, virtual and in-person components. This is an ongoing project with an anticipated release date of mid-to-late 2021.

Additional information of the hybrid offering will be released by the NCP SB in late spring. Comments may be submitted via the [Hybrid Certification Curriculum Comment Form](#).

Thank you for your continued dedication to saving lives and preventing injuries. The NCP SB is proud of the passion and enthusiasm in the child passenger safety community.

Respectfully,

National Child Passenger Safety Board
