## **Notes**

- The components will be delivered in sequential order as indicated below.
- Each component will be dependent on the completion of the previous component with the exception of the optional VILTs (Drop-In Office Hours).
- The time indicated for the e-learning modules is the estimated seat time or the time on an electronic device completing the e-learning portion of the module. Practice and activity time will vary depending on the student.
- Quiz 1, Quiz 2, Quiz 3 and Skills Evaluation 3 will be administered via the LMS.
- Skills Evaluations 1, Skills Evaluation 2 and Skills Evaluation 4 will be administered in-person.
- Per the *Instructor Prep Guide*, each of the skills evaluations is administered as indicated:
  - **Skills Evaluation 1: Vehicle Systems (after Module 6)**
  - **Skills Evaluation 2: Select & Install Car Seats & Booster Seats (after Module 10)**
  - **Skills Evaluation 3: Putting It All Together (after Module 10)**
  - **Skills Evaluation 4: Checkup Event (after Module 13)**
