TIPS FROM THE FIELD

Practice Makes PERFECT!
- New to the NDCF? The NDCF provides users with the ability to practice navigating through a seat check. Select “Practice” from the state dropdown menu to create a practice form. Spend time familiarizing yourself with the questions, flow and skip patterns.

Customized liability Statement and Agency Logo
- Agencies can request a customized car seat check form by submitting an agency approved liability statement and logo. Request Custom PDF
- Is there a place for a Senior Checker/Proxy to sign off?
- Yes. The individual responsible for a final inspection sign off should enter their name in the “Final Inspection Sign-Off” field at the end of section 5, On Departure.

UPDATES & RESOURCES

Collecting Local Level Data
- The NDCF is a car seat data collection tool and does not collect any Personally Identifiable Information. A sample sign in sheet can be found under the “Resources” tab. Use the one provided or create your own!

DIVING INTO DATA

We are checking our way to 100K! March cleaned data dashboards and interactive table tools are ready to view! **76,758 seats checked have been collected** and more that over 7,000 records have been collected virtually. Dashboards and table tools are located under the “Data” tab on the [NDCF home page](#).
