

# Child Passenger Safety National Trainings

## GENERAL AWARENESS TRAININGS

Learn to keep children safe in cars as they grow by completing evidence-based modules on car seat, booster seat and seat belt use.

- Free online training
- Completion time: 60 minutes

[carseateducation.org/general-education](https://carseateducation.org/general-education)

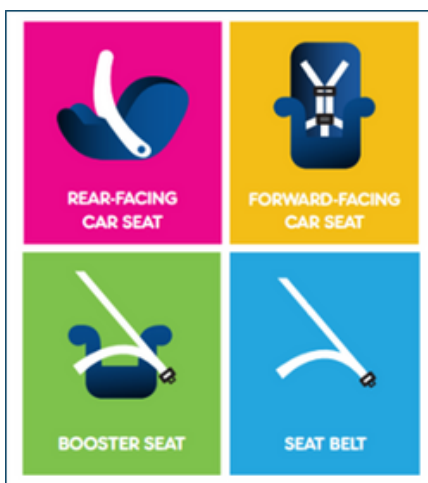

Updated English Version - April 2023

Learn about the danger of vehicular heatstroke and children, and what can be done to prevent tragic outcomes.

- Free online training
- Completion time: 15 minutes
- Available in English and Spanish

**Free group delivery** of general awareness trainings is available. Group admins can assign students & monitor progress. Submit a [Group Course Training Request](#) at [carseateducation.org](https://carseateducation.org).

## CERTIFICATION TRAINING

The National Child Passenger Safety Technician Certification Training is an in-depth training on the proper use of car seats, booster seats, seat belts and vehicle safety systems. Successful completion results in national certification as a Child Passenger Safety Technician for two years.

- **Two offerings**
  - In-person sessions
  - Hybrid: online learning, virtual & in-person sessions
- **Completion time: 24-32 hours**
- **Register for a training at [cert.safekids.org](https://cert.safekids.org)**

[cert.safekids.org](https://cert.safekids.org) and [cpsboard.org/hybrid](https://cpsboard.org/hybrid)
