Subject: 2024 CPST Certification Training Curriculum Update

Recipients: Current Instructors and Instructor Candidates

Dear Child Passenger Safety Technician Instructor,

As of today, an update to the *2024 Child Passenger Safety Technician Certification Training* curriculum has been issued.

Updated materials are available for download on the **Protected Instructor Materials** page on cpsboard.org. A list of updated materials is available at the top of the page for quick reference. This page is password protected. The password is found in your Safe Kids Certification profile in the **Action Items** on the left side of your profile.

Use of the updated materials is required when delivering the *2024 CPST Certification Training* curriculum.

Please contact the National Child Passenger Safety Board Secretariat at secretariat@cpsboard.org with questions.

Thank you for your dedication to Child Passenger Safety.

Respectfully,

Mark Chung
