Child Passenger Safety Resources: Law Enforcement

	<p>Car Seat Basics for Law Enforcement National Training</p> <p>This free training provides the knowledge to help law enforcement officers take an active role in assessing car seat use according to evidence-based best practices. Two delivery formats are available. The in-person training is 90-minutes. The self-paced online learning is 60-minutes. Online group delivery available – contact training@cpsboard.org.</p> <p>cpsboard.org/car-seat-basics-law-enforcement</p>
	<p>Car Seat Basics for Law Enforcement Quick Reference</p> <p>The quick reference tool, designed to be accessed in the field, provides a summary of the key information provided in the Car Seat Basics for Law Enforcement National Training.</p> <p>carseateducation.org/csb-le</p>
	<p>Children in Hot Cars</p> <p>This 10-minute, free online learning provides information about the danger of vehicular heatstroke and children, circumstances that have led to children dying and what can be done to prevent these deaths. Online group delivery available – contact training@cpsboard.org.</p> <p>cpsboard.org/children-in-hot-cars</p>
	<p>Child Passenger Safety Technician Certification Training</p> <p>This standardized curriculum provides in-depth training on the correct use of vehicle occupant protection systems, car seats and booster seats. Successful completion results in U.S. certification as a Child Passenger Safety Technician for two years. Fee-based. Two delivery formats are available. The in-person course is 3-4 days. The hybrid course consists of self-paced online learning, 4 virtual sessions and 1-1.5 days in-person session(s).</p> <p>cert.safekids.org and cpsboard.org/trainings</p>
	<p>Car Seat Education App</p> <p>The Car Seat Education app provides interactive views of car seats, highlighting each part and its specific function. Available for free download on Apple, Android and Amazon devices.</p> <p>Also available at cpsboard.org/3d-images.</p>
